

General Manager

For a truly *limitless opportunity* in automotive repair management, look no further than **Domestic Auto Experts**. You can get in on the ground floor of a vast, nationwide development project to revamp the auto repair industry.

This is an unprecedented offer in an industry that has typically not attracted top talent, capital, or innovation.

With Domestic Auto Experts you get comprehensive training, the advantage of massive technological advances including a patent pending information management system that revolutionizes automotive repair, and ongoing operations and marketing support.

Our corporate support team of veteran entrepreneurs is dedicated to structuring creative compensation packages tailored to your needs with a true opportunity for 100K Plus total compensation. Our Domestic Auto Experts can offer you the **BEST opportunity in the industry**.

We expect a lot from our General Managers and only hire the best. We reward based on performance, so if you are confident that you can outperform your peers in automotive repair, we have a place for you.

To qualify you will need to meet the following criteria:

- Minimum 5 years automotive aftermarket (or independent) repair experience
- Minimum 5 years SALES management experience
- MUST have made it to a General Manager level within 7 years
- PROVEN personal sales success with high volume revenues
- Intimate knowledge of the industry with confidence in your ability and passion for your work

What do we offer?

- An environment centered around Total Integrity!
- Competitive Wages with Bonus opportunities!
- Potential equity in the business!
- Employee referral bonuses!
- Health Insurance
- Dental Insurance
- 401K, Voluntary Life and Long term disability plans

We have lots of room for top performers, NOW!
